CONDITIONS

1. Big Ass Fans reserves the right to make the final determination, based on its own evaluation of the product and all its components, as to whether:
 - a. The problem in question is the result of a defect in design, workmanship, or materials, and not a result of error, misuse, or abuse on the part of the customer as set forth under the exclusions detailed in this Warranty;
 - b. Adverse site conditions, (including, but not limited to, excessive dust, heat, humidity, unstable electric service, or any other unknown or unforeseen condition that affects the proper operation of the products) improper application, or improper installation is determined to be the basis for the failure.
 - c. The problem or defect is material and requires action under this Warranty; and
 - d. The remedy of repair, replacement, or refund is appropriate.
2. If Big Ass Fans determines, in its sole discretion, that the appropriate remedy under the Warranty is a refund, the refund amount will be limited to the price paid by the customer for the product alone, and under no circumstances will it include the cost of labor, shipping, handling, packaging, or any other incidental or consequential costs incurred or anticipated by the customer, except where required by law.
3. With respect to replacement or repair rendered, Big Ass Fans reserves the right to use replacement parts that are refurbished. Big Ass Fans warrants that the parts replaced or repaired, whether or not they have been refurbished or are original equipment, will operate properly and be free from defects in materials and workmanship for a period of 90 days from the date of shipment to the customer, as required by law, or for the remainder of the original warranty period, whichever is longer.
4. A service fee, parts replacement fee, and shipping charges may be imposed if any product is returned for warranty service that is missing components or that has been modified in any way. Such fees and charges will vary based upon the actual material and labor costs necessary to replace missing or modified parts and to return the product to its original factory condition.

RETURN POLICY

Returns must be received within 90 days of shipment. The customer will be responsible for return freight charges. A restocking fee of 25% for unopened boxes and 50% for opened boxes applies to all returns.
