Connect Accounts

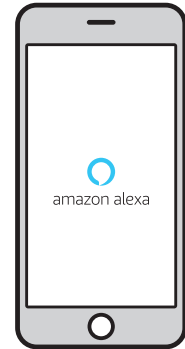

Install your fan and set up your Amazon Alexa-enabled device according to the instructions. Know your Wi-Fi router's SSID and password.

Download the Haiku® and Amazon Alexa apps on the App Store (iOS®) or on the Google Play Store (Android™).

Open the Haiku mobile app and follow the instructions to connect your fan and create your Haiku account.

Use the Alexa app to connect your Amazon account to your Haiku account. Discover your fan within the Alexa app.

For a list of Alexa utterances, visit [www.bigassfans.com/alexa](http://www.bigassfans.com/alexa)

## Warranty

Your Haiku warranty covers your fan against all defects in workmanship and materials from the date of purchase. In residential installations, the fan is covered for five years. In non-residential installations, the fan is covered for three years. You must be the original purchaser of the product to be covered.
