Brad A Reasoner	EMC Technical Lead	Authorized Signatory	7 January 2022

Signatures in this approval box have checked this document in line with the requirements of TÜV SÜD America, Inc. document control rules. TÜV SÜD America's New Brighton Lab maintain A2LA accreditation to ISO/IEC 17025 for the specific tests listed in A2LA Certificate #2955.11 as Electrical Testing Laboratories and are recognized by the National RRA under Phase I of the APEC Tel MRA.

EXECUTIVE SUMMARY
 A sample of this product was tested and found to be compliant with the standards listed above.
 * Although the lab presently does not have this standard on its A2LA scope of accreditation, it does hold accreditation to all referenced test methods per the standard.
